THE BOARD IS USING MONEY

For Purposes for which the Pinance Committee Believes Should be Used Otherwise-One Member of the Board Was Present Last Night-Another Mosting this Evening - That Fifth Ward Mix-up is Settled.

There is a contest on between the board of public works and the city council, regarding the appropriation for the paying and improving of certain streets. It loomed up largely at last night's meeting of the committee on finance, and it promises to become interesting before many days are over,

The board of public works has been working on certain streets and alleys, giving the impression to many council men that the streets they had in view

working of the impression to many councilmen that the streets they had in view when the appropriation was made were to be slighted. So, at last night's meeting an invitation was extended to the members of the board of public works to be present, believing that an understanding could be arrived at Mr. Frank McCoy was the only member of the board present, hence the committee decided, after a brief session, to meet again this evening, with the expectation of having the three members of the board present.

There was present last night Chairman Horkheimer, Berry, Davison, Nesbitt, City Solicitor Nesbitt, City Clerk Watkins. Committee Clerk O'Brien, City Receiver Forgey, Mr. McCoy, and Clerk Hornish, of the board of public works. Outside the committee room were many North Wheeling taxpayers. The difficulty between the board and the committee, as stated, hinges upon the construction of an appropriation of 4.70e to the board of public works. The appropriation in the ordinance reads that 4.70e for new work is to be used at the discretion of the board of public works. The appropriation is to be divided as follows: To pave with brick Twelfth street, beginning at Water treet, as fur east as appropriation will reach (out of contingent fund) \$2.200. For paving Market street with brick Twelfth street, beginning at Water treet, as fur east as appropriation will reach (out of contingent fund) \$2.200. For paving Market street with brick Twelfth street, beginning at Water treet, as fur east as appropriation will reach (out of contingent fund) \$2.200. For paving Market street with brick Twelfth street, beginning at the money should come out of the contingent fund, it was the intention of the committee that it should come out of the contingent fund, it was the intention of the contingent fund, it was the intent

The state statutes say that the 10-cent levy is a special levy, and cannot be used for any but unimproved streets. But "by beating the devil around the stump," the appropriation of the 10-cent levy has been cast into the contingent fund, and thence drawn out for the improvement of old streets. And some councilmen claim that the board has broken faith by not using the \$4.700 upon upper Market and Twelfth streets. To-night's meeting may effect an amicable setlement.

The only other business before the committee last night was that in regard to the paving of an alley in the Fifth ward. Council appropriated for the paving of Alley A, and the printed ordinance reads Alley C. Work had begun on the latter alley when the mistake was noticed. Clerk Watkins was instructed to notify the board of public works of the mistake, and that affidavits, if necessary, could be made to certify to Alley A as being the one intended in the ordinance. Clerk Hornish for the board, stated that the work would not be prosecuted further on Allay C.

The council committee on scales falled to get a quorum last night, only Dr. Megrail and Mr. Ahl being present The committee is called again for tomorrow evening.

This lodge is made up exclusively of German-speaking citizens, and is one of the most prosperous in the order. Its celebration last night was attended by many members of other lodges, and all were treated to a aplendid musical enteraniment, followed by a banquet. The programme opened with the address by Rev. Wm. Ulfert, a member of Herman lodge, who spoke in German upon the lodges history.

After Mr. Wm. Clemans' well-rendered vocal solo. Mr F. D. Friedrich, of the A. O. U. W. outling committee, presented the lodge with the flag it had won. He made a few appropriate remarks. Then Herman chorus broke forth in 'The Star Spangied Hanner.' The flag was received in behalf of the lodge by Master Workman C. Bruemmer. Rev. Rabbl Bonnheim responded for the lodge in a neat speech in English.

A German song by the members preceded the address of Grand Master Workman Sam R. Nuzum, of Fairmont, who spoke in his usual enthusiaste manner. The enjoyable assesion was brought banquet.

THE DOUBLE SEASON.

The Intelligencer's proposition to divide the Inter-state league championship season, sarting the second half after season, sarting the second half after the games of July 4, seems to be meeting with favor on the circuit. As stated in yesterday's Intelligencer, it was believed that the necessary two-thirds majority for the proposition would probably be secured if New Castle would assent to the change, for it is natural stopresume that Youngstown. Fort Wayne, Mansfield and Springfield would be heartly for the double season. As will be seen below, Manager Paul Russell, of New Castle, has come out for the change, so it would seem quite probable that the change will be made. From time to time the Intelligencer will print the views of the Inter-state magnates and base ball scribes as their replies are received. If it is found that six clubs favor the double season a special meeting will be called to put the scheme through. through.

Manager Russell's Letter.

Sporting Editor of the Infelligencer SIR:-Your circular was received this morning in regard to dividing the Intermorning in regard to dividing the Interstate season into two series. Would say, in reply, I think it would be a very good move to start another series commencing July 5th, as it will give the other towns that are away down in the race a chance to strengthen up to make a good showing in the second series. If they start the second series on July 5th I will agree to cutting the season and making two series. Hoping the rest of the clubs will also agree to your proposition, I remain, respectfully,

PAUL A. RUSSELL,

Manager New Castle B. B. Club.

Wheeling Favors It. Sporting Editor of the Intelligencer.

SIR:-I received your letter and in reply would say that the Wheeling club is heartily in favor of the double season plan surgested by you. We are strengthening our team as fast as possi-termined by July expect to strengthening our team as fast as possible and by the Fourth of July expect to be in shape to make a first class showing at home and abroad. We appreciate the fact that the team has made a pisor showing recently, and while we cannot excuse some of the poor playing of the boys, they certainly have had tough doses of bad luck at all stages. If the double season is put through we think we will be able to stay in the first division and make a bid for the pennant. Taken individually we have as good a division and make a find for the pennant. Taken individually we have as good a team as any in the league and the boys are bound to strike their gait pretty soon. Respectfully.

W. C. COYLE,
Manager Wheelings B. B. Club.

An excellent suggestion, one that every "fan" in Youngstown will endorse

every "fan" in Youngstown will endorse when he stops to consider, is contained in the Wheeling Intelligencer of June 28. It is given in full herewith: (Then follows the Intelligencer's double season proposed above. By all means let the season be divided. Youngstown may then stand a better chance of coming out somewhere nearer the top for Youngstown now possesses a winning team.

Yesterday's winners-Toledo, Dayton, oungstown, Fort Wayne.

To-day's games—Fort Wayne at Wheel-ing: Dayton at New Castle; Springfield at Youngstown; Toledo at Mansfield. Wheeling opened the week's play with another defeat, this time at the hands of the Fort Wayne team, which makes its first appearance of the season in Wheel ing. Herr and Hallowell were the oppesing pitchers and honors were abou even. Had the Wheeling man received the support accorded the Hoosier the Nailers would have won hands down, but as it was the locals had another off day of it in the field and lost by the

margin of one run. For four innings the game was helly centested, each side having made a score, Fort Wayne's in the first and Wheel-ing's in the second inning. In the fifth the visitors took advantage of errors by Robinson and Campbell, with a base on salls and four hits scoring four unearned runs. In the next the locals were again away off, bad misplays being charged to O'Brien and Taylor, which, with two hits, netted three more runs.

Wheeing wasn't in the game until the eighth inning. Hellowell led off with an out. O'Brien worked a base on balls, his third in the game, but Campbell struck out and the prospect was gloomy. It was another exemplification of the uncertainties of the national game, for, before the smoke cleared, Wheeling had tallied six times and was within one of the visitors. On Kihm's error Taylor was safe. Then Lyons hit for two bases. Toft went to first on four wide ones. Coyle singled and Robinson hit for two bases. McGinnis kept up the good work by singling, but Hallowell made his secone out of the inning by sending one on the ground to "Dummy" Kihm. It was tough luck, as another run would have tied the score.

Fort Wayne rubbed it in in their half of the eighth by scoring two more runs on McKevitt's single, Kihm's sacrifice, Sharp's base on balls and Babb's two-base hit.

In the ninth the Nallers came within Wheening wasn't in the game until the

Sharp's base on balls and Babb's two-base hit.

In the ninth the Nallers came within one of tieing the score. O'Brien was an out, but Campbell and Taylor each made two-base hits. Lyons couldn't make a hit when one was needed so badly, but Toft singled and two runs were scored. Fort Wayne juggled the ball and when the smoke cleared Toft was perched on third base. Coyle was at the bat but the best ne could do was to send an easy the best he could do was to send an easy one to O'Meara in left field.

NEW CASTLE, June 28.—Dayton opened
a series here this afternoon in a well
earned victory. New Castle secured a good earned victory. New Castle secured a good lead in the earlier limings of the game, but in the seventh, eighth and ninth innings the visitors touched up Smith in rather a lively fashion. In the ninth the Old Soldiers succeeded in tieling the score, and in the fenth won out. George Rieman was bit hard, but the hits were kept well scattered excepting in the sixth, when New Castle scored three runs and secured what looked to be a winning lead, Score:
